

ACHIEVEMENT GRADUATIONS REGISTRATION Saturday, June 4 or Sunday, June 5, 2016

ACHIEVEMENT GRADUATIONS are recommended for all private students at our school. Students prepare a solo performance at their grade level, approved by their teacher, including technique, and four or five repertoire selections. As you can see, much planning and preparation is involved over the school year to ensure that students have all material ready with a musical performance by the end of the year.

Students perform for a judge and are graded on a standard of musical excellence, receive a medal and certificate, and "graduate" to the next level of study. This is a very exciting and rewarding experience for our students, and helps to motivate them to attain the next level of musical proficiency. Family is invited to hear the Graduation. Participation in Achievement Graduations is optional. All students at our school work on graded level materials during the year, but we realize that some students are not interested or available to devote additional time to prepare for a year-end Achievement Graduation Program.

There will be several Shows scheduled on performance day. Students are divided into one-hour groups by instrument category. There will be a mix of ages and levels represented at each performance, and sometimes different instruments being performed as well. Students may invite family and one friend to attend, and stay for their entire one-hour graduation (audience space is limited).
