

## TEXAS STATE MUSIC THEORY TEST REGISTRATION FORM – SPRING 2016

Taking the Texas State Theory Test is optional for Private and Lab Students. All music students at our school work on music theory curriculum at their level, but we realize that some students are not interested or available to devote additional time to prepare for and attend a testing day. The Theory Test covers basic musical knowledge at levels 1-12 (sorry, not for Kindergarten). Concepts include level appropriate questions regarding note names, intervals, chords, rhythms, meters, patterns and scales, key signatures, harmonic progression, vocabulary, ear-training and more. All information on the test is covered in weekly lessons and classes and in the Theory Time Books. Students are working through the material in their class and by completing home assignments, including ear-training examples.

**Students will prepare by completing and reviewing all chapters in their level Theory Time Book, and by completing two practice tests before the due date.**

**Earn a ribbon for participating, and a medal for scoring 90-101!!!  
Bronze Medal (90-93), Silver Medal (94-97), Gold Medal (98-101)**
